TO ALL CLERICAL MEMBERS ON PROPERTIES IN NATIONAL HANDLING:

Dear Sisters and Brothers:

Presidential Emergency Board 250 issued its report to the President on August 16, 2022. Immediately following the issuance of the PEB Report, your Negotiating Committee, together with our labor partners -- the International Association of Machinists (IAM) and the Brotherhood of Railroad Carmen (BRC), negotiated with the National Carriers’ Conference Committee (NCCC) to try and reach an agreement based upon the Presidential Emergency Board’s recommendations. (A complete copy of that report is among the materials uploaded with this letter and the full Tentative Agreement).

On August 29, 2022, we reached a tentative Agreement with the national freight railroads that followed the recommendations of the PEB. This is a summary of that Agreement which is now before you for ratification.

WAGES

The tentative agreement provides for a historic 22% in general wage increases (24% compounded over the five-year contract period – January 1, 2020, through December 31, 2024). This is the highest wage increase ever achieved in the history of National Bargaining.

In addition to the GWIs the agreement provides an additional $1,000 lump sum payment to be paid annually - for each year of the contract period for a total of $5,000. The wage increases are as follows:

<table>
<thead>
<tr>
<th>Date</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>July 1, 2020</td>
<td>3.0%</td>
</tr>
<tr>
<td>July 1, 2021</td>
<td>3.5%</td>
</tr>
<tr>
<td>July 1, 2022</td>
<td>7.0%</td>
</tr>
<tr>
<td>July 1, 2023</td>
<td>4.0%</td>
</tr>
<tr>
<td>July 1, 2024</td>
<td>4.5%</td>
</tr>
</tbody>
</table>
This means, upon ratification, you will receive a 13.5% wage increase, with an additional 8.5% in increases over the next two (2) years.

The average hourly Clerical wage at the beginning of the contract period of $33.48 will increase to $38.19 immediately upon ratification and will increase to $41.51 effective with the final raise of the contract on July 1, 2024.

Based on the average rate, over the life of the agreement, it will produce an additional $45,732 from general wage increases alone. This figure does not take into account the different amounts of overtime hours worked.

Under this agreement, you will receive **full retroactive pay** for the July 1, 2020, 2021, and 2022 increases, contrary to the Carriers’ unyielding position that no retroactive pay would be paid to employees in this round of bargaining.

The average retroactive payment, will be **$11,878**. The exact amount of your retroactive payment will depend upon your specific rate of pay, actual hours, and the amount of overtime worked.

**HEALTH AND WELFARE CHANGES**

Health and Welfare monthly contributions have been capped at **$228.89** since July 2016, which represents 12.6% of the Carrier’s actual monthly cost of the plan. Under the terms of this Agreement, the monthly cost share will increase from 12.6% to 15% of the Carrier’s actual monthly cost of the plan.

Throughout bargaining, before and after the PEB, we fought against any employee increases to cost sharing. However, to be able to achieve the improvements to the healthcare plan we were seeking and to prevent sacrificing any of the current benefits of the plan, it was necessary for the current cap to be lifted and the monthly contribution increased to the full 15%. The future estimated monthly contributions are as follows:

<table>
<thead>
<tr>
<th>Year</th>
<th>Estimated Monthly Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>2023</td>
<td>$295.00</td>
</tr>
<tr>
<td>2024</td>
<td>$308.00</td>
</tr>
<tr>
<td>2025</td>
<td>$326.00</td>
</tr>
</tbody>
</table>

Although we never want to see increases in any of the costs associated with our healthcare plans, this modest increase to our monthly contributions is far less than what the Carriers proposed to the PEB. The Carriers’ proposals to move our monthly cost shares into a new “tier” system would have resulted in significant cost increases for all members and even more for members with families. In addition, the Carriers sought to increase the employee cost of many facets of the plan itself including, copays (primary care, specialist, urgent care, emergency room visits, and prescriptions), co-insurance, and deductibles. It is important to note that the increase in monthly contributions is not effective until January 1, 2023, which ensures that there are zero offsets to your retroactive pay.
Despite the Carrier’s determined efforts otherwise, this agreement contains absolutely no reductions in benefits under any of our healthcare plans.

In fact, there are significant improvements to the plan as described below. Also, as noted above, this Agreement provides for annual lump sum “recognition bonus” payments of $1,000 to be made. Based on the projected increases the annual $1,000 bonus payments are more than sufficient to cover the increases in the monthly contribution.

MAJOR IMPROVEMENTS WERE MADE TO THE PLAN

Speech Therapy

The age restriction for participants requiring speech therapy is eliminated for services related to Autism Spectrum Disorders, developmental delays, cerebral palsy, hearing impairment or major congenital anomalies that affect speech such as, but not limited to, cleft lip and cleft palate.

Previously only children under the age of 3 could receive speech therapy for these services.

Autism Spectrum Disorder Coverage

Coverage is expanded to include services for the diagnosis and treatment of Autism Spectrum Disorder, without application of age or dollar limitations (other than generally applicable cost-sharing requirements under the terms of the Plan). Benefits will include speech, occupational and physical therapies, Applied Behavior Analysis, and other medically appropriate intensive behavioral therapies; provided that any such coverage shall be subject to medical management processes (such as prior authorization or treatment plan requirements) applied by the company administering the member’s benefits.

This benefit has been long sought after. This will help many employees with dependents who require treatment for autism.

Hearing Benefits

The annual limit for hearing benefits increases from $600 to $2,000.

Services under this benefit include tests and examinations, including those by an audiologist or a hearing aid dispenser, to diagnose and determine the cause of a hearing loss, and for a hearing aid necessary to restore lost, or help impaired, hearing.
**Labor and Management Administrative Procedures for Solicitation of Vendors Rebids**

The parties, Labor and Management, will develop a rebid process designed to ensure that the Plan is providing the most cost-effective vendors available to allow for solicitation rebids. This process will be a joint decision and neither side will be able to make changes to any of the insurance benefit companies without the other’s authorization.

These improvements will become effective on January 1, 2023.

**PERSONAL HOLIDAY**

This agreement provides members with an additional day of paid leave. To ensure members have every opportunity to utilize this benefit the Personal Holiday can be used as any of the following:

- An additional personal leave day
- An additional single day of vacation
- A Personal Holiday to be taken on the member’s birthday

**WORK RULES**

For the entire period of negotiations, the Carrier sought major work rule changes. The final agreement calls for no concessions or changes to our existing rules; a significant accomplishment in its own right.

**ME TOO PROVISION**

If any union reaches an agreement with the NCCC which contains better wage increases or benefits than what was recommended by PEB 250, we will get the higher amount. This is the first provision of this type ever achieved in National Bargaining and it was accomplished without reducing any of the value recommended by the PEB. With this, our members can be assured they are receiving the very best agreement terms possible.

**WHY THIS CONTRACT SHOULD BE RATIFIED**

This contract achieves record-setting, historical wage increases with real income gains. **The average member will net $45,732 over the life of the agreement** - an amount higher than ever achieved on any National Agreement. The wage gains are front-loaded so that you will receive 13.5% of the total 22% general wage increase within 60 days of this Agreement being signed (if ratified) with more significant increases to come in 2023 and 2024.

The Agreement ensures that our members receive every penny of the Presidential Emergency Board’s recommendations. If we believed there was any path to additional improvements, we would still be negotiating. But, as an extra safeguard, we were successful in negotiating a Me-Too clause, in the unlikely event any other Union is able to achieve more, to ensure our members get the same value.
For all the above reasons, our coalition partners – the Brotherhood of Railroad Carmen and International Association of Machinists – have initialed identical agreements.

I recognize the PEB did not provide recommendations that resolve all of the Unions’ demands. However, the clerical craft is significantly different from other crafts. As an example, most of our agreements already provide paid sick leave. In addition, the majority of our assignments are regularly assigned positions with a defined schedule and are not subject to the same scheduling scenarios as crafts whose members do not have set schedules or who do not have a fixed work location. As a result, some of our priorities in bargaining are different. For these reasons, your committee believes it is in the best interest of our members to reach an agreement that secures the full value of the wage increases recommended by the PEB. This Agreement accomplishes that.

**FAILURE TO RATIFY**

If this Agreement doesn’t ratify, all bets are off. PEB 250 provided recommendations that are significantly greater than any previously seen in this industry. Given the upcoming mid-term election and ongoing supply chain issues, it is not logical to believe Congress would ever intervene to do more than what is recommended by PEB 250. In fact, it is more likely, due to those factors that Congress would extend the current cooling-off period and/or even direct the parties to binding arbitration for a final resolution. Despite rumors you may hear on-property or on social media, there is simply no real path that provides for any improvements beyond what this Agreement provides. With that assurance, it would be irresponsible for me to lead you to believe otherwise.

Instead of receiving thousands of dollars in back pay, thousands more in wage increases, and benefitting from healthcare improvements provided by this Agreement, our members will be in limbo. Without knowing the results of the upcoming mid-term elections, we cannot gauge what impact any congressional intervention might have. However, there is no evidence that suggests we would be remotely better off by allowing Congress to get involved and legislate our agreement.

**CONCLUSION**

It has been over three years since negotiations began and our members’ last raise. Negotiations were long, hard, and contentious. I assure you, this Agreement provides far greater increases than the Carrier ever intended. With ratification, you and your family will receive several thousand dollars in back pay together with thousands more in increased wages. Your health care will remain at the Platinum Level, with the monthly cost fixed at 15% of the plan cost throughout the life of the Agreement. In addition, every member will receive an additional day of paid leave. Your work rules have been protected – NO changes. In the rare event that another Union secures higher wages or benefits, the Me-Too Provision of this Agreement ensures you will receive that value as well.

If you have any questions regarding the proposed agreement, you can email them to tcuvote@tcunion.org. Your questions will be answered by return email as quickly as possible.
Sisters and Brothers, as your National President, I submit to you - there is nothing further to gain from prolonging an Agreement, and the uncertain alternatives could be disastrous. Last month, at my first TCU/IAM Convention as National President I committed to every delegate that TCU/IAM members would be able to vote on the terms of their agreement. That agreement is now before you for your consideration and I strongly recommend that you vote \textbf{FOR} ratification.

In solidarity,

Dear Mr. Maratea:

This confirms our understanding with respect to the general wage increases provided for in Article I, Sections 1, 2 and 3 and the service recognition bonuses provided for in Article II, Sections 1 and 2 of the Agreement of this date.

The carriers will make all reasonable efforts to pay the retroactive portion of such general wage increases and service recognition bonuses as soon as possible and no later than sixty (60) days after the date of this Agreement. The carriers will make the service recognition bonus payment provided for in Article II, Section 3 of the Agreement at the same time as the aforementioned retroactive payment.

If a carrier finds it impossible to make such payments by that date, such carrier shall notify you in writing explaining why such payments have not been made and indicating when the payments will be made.

Very truly yours,

Dear Mr. Maratea:

This confirms our understanding with respect to the tentative agreement of this date that would resolve our respective bargaining notices served on or subsequent to November 1, 2019 ("Tentative Agreement or TA").

If the railroads in national handling collectively enter into a voluntary and ratified national agreement ("New Agreement") to resolve the national notices served on or after November 1, 2019 with any labor organization that provides, in the aggregate, materially greater overall economic value to the employees represented by that organization than is provided for in the report of Presidential Emergency Board No. 250 with respect to that craft, TCU may request that the same value, measured on a GWI-equivalent basis, be added to the Tentative Agreement in a manner to be determined by the parties.

If the National President of the TCU believes that a New Agreement has potentially triggered the understanding in this letter, he shall, within 30 days of the date such New Agreement is ratified, provide prompt written notification to the Chairman of the NCCC, and the national parties shall confer within fifteen (15) calendar days to discuss further handling of the matter. Any disagreement between the parties regarding the interpretation or application of this understanding shall be resolved through final and binding party-paid arbitration.

This agreement shall be non-precedential and shall not be referenced in any forum except for the limited purpose of enforcing its terms. This agreement shall expire and have no further effect with respect to a national agreement reached by another labor organization 30 days after the date that the applicable national agreement is ratified.

Please acknowledge your agreement by signing in the space below.

Very truly yours,

Brendan M. Branon

I agree:
